# RAYS THE STANDARD

Our Full Year Team Program consists of athletes ages 3+ ranging in Levels 1-6. Teams are formed based off of Stunts, Jumps and Tumbling Skills; as well as Birth Year.

When forming teams, we are looking for full mastery of skills to be placed within a level.

## ATHLETE SAFETY

All of our staff are required to have a Greenlight Background Check & Safe Sport Training through USASF.

Our Coaches are USASF credentialed to train athletes in Stunting & Tumbling.

## COMPETITIONS

Competitions are mandatory. Each program will attend a mix of 5-7 events in additions to Showcase performances. The competition schedule will be released once dates and pricing are confirmed by the competition companies (typically August). Travel costs are not included in tuition and each family is responsible for getting their athlete to and from events.

Some of the out of state events we attend are considered "stay smart" events which require athletes to book through the sanctioned hotels. Links to those hotels will be sent out in the months leading up to the event. Athletes that do not comply with the stay smart policy may result in team disqualification.

## TIME COMMITMENT

Elite tier teams will practice 2 days a week during the Summer and 2-3 days a week beginning in August. Novice & Prep teams will practice 2 days a week for the duration of the season. Extra practices will take place for Choreography and during the competition season. Attendance is crucial to a team's success. Missing practice could affect an athlete's position on the team. Athletes must be able to physically and mentally perform all aspects of competitive cheerleading. This may require additional private lessons, classes and conditioning. We respect and encourage athletes to cheer for their school team. Our expectation is that we will work with your school coach as much as they will work with us.

## ABSENCES

Athletes who are planning to miss practice for any reason will need to email the team specific email address a minimum of 2 weeks in advance. This will automatically be emailed to all team coaches and Management. Excused Absence: Sick (fever or Doctor's note), school function for a grade, death in the family.

Please note: Athletes that miss practice within 2 weeks leading up to a competition may not be able to compete at the event (excused or unexcused). Athletes that continually miss or have too many unexcused absences, can be removed from positions in the routine and/or be removed from the routine/team/program.

# THINGS TO KNOW

## Communication

If you have any questions or concerns that need immediate attention, please use the following chain of communication:

1) Coaches --> 2) Management/Directors --> 3) Owner

- Please feel free to talk to your coach about anything; remember to do it at the appropriate time. For example: Approaching a coach in the middle of a practice or competition, would not be an appropriate time.
- Check your emails and the Team Band regularly. Email is our first form of communication and BAND is secondary. Each team has their own team email address.
- Problems between athletes/parents will be addressed with all parties in a meeting with Management.
- Under no circumstances should the parents present themselves as an official representative of The Stingray Allstars Virginia at competitions or any other events

## Attendance

- Punctuality is a MUST! Being late or absent from a competition could result in alternate status or removal.
- Practices may be changed or added at any time.
- Submit all vacations requests & absences by June 6th.
- Athletes that miss practice within 2 weeks leading up to a competition may not be able to compete at that event.
- Punishing your child by missing practice or a competition, is not acceptable or allowed.
- Homework/projects are not an acceptable excuse for missing practice: Time Management is a MUST!
- Absences affect the entire team. Consistent absences will affect your athlete's role on the team, as well as potentially their membership on the team.

## Behavior

- Good sportsmanship, polite manners and a good disposition are mandatory at all practices and competitions from parents and athletes. This means NO GOSSIP about other athletes, teams, coaches and staff, ever. Continuous poor behavior could result in closed practices or team/program removal.
- Anyone threatening to quit or to pull their child from a team, may be dismissed from the program immediately.
- No child should be dropped off at the gym unsupervised or without an active enrollment in a class, private lesson, camp/clinic or team practice.
- It is the athletes responsibility to wear the appropriate practice wear to every practice and competition attire to events.
- Social Media posts that are a poor representation of The Stingray Allstars Virginia may result in suspension or removal from the team/program.
- We are not responsible for lost or stolen items.
- The viewing area is an extension of the gym. The above rules also apply to the viewing area.
- Only athletes and coaches are allowed in the gym.
- The Stingray Allstars Virginia maintain the right to refuse services at any time.
- The Management Team may change, add or subtract any rule at any time.

# FREQUENTLY ASKED QUESTIONS

## Q: What types of programs does The Stingray Allstars Virginia offer?

A: The Stingray Allstars Virginia offers a variety of full-year programs catering to different commitment levels and skill levels. These include the Novice Program and Prep Program, both of which are 12-month programs focused on local events. The Elite Program and Worlds Program are also full-year commitments with travel involved.

## Q: How are athletes placed on teams, and what are the age and skill requirements?

A: Team placement is determined by a combination of the athlete's skills in stunts, jumps, and tumbling, as well as their birth year. The program looks for full mastery of skills for placement within a specific level. The Full Year Team Program is open to athletes ages 3 and up, ranging from Levels 1 to 6. ONLY Management determines Team Placement.

## Q: What should my athlete wear to Tryouts?

A: Athletes should wear a black sports bra or top with black shorts, cheer shoes or a lightweight sneaker, and hair should be pulled up into a high ponytail with a bow. Light/natural makeup. Please bring ONLY your paperwork and a water bottle with you on the day of your Evaluation.

## Q: What happens at Tryouts?

A: Your athlete will arrive to their Tryout time slot, check-in with the Front Desk, turn in paperwork, receive a Tryout number, have their picture taken, stretch & warm up their skills. Your athlete will then perform their skills for the Evaluation. Once the Tryout is completed, they will exit the front door with their Tryout T-Shirt.

## Q: What happens after Tryouts?

A: Team Placements will be emailed to the email address on file/provided on paperwork. Please do not call the Office regarding your athlete's team placement. Send your athlete to their initial 2 practices first. If something doesn't seem right, then please send an email to [ashburn@stingrayallstarsva.com](mailto:ashburn@stingrayallstarsva.com) to discuss.

## Q: What school county do you follow for breaks?

A: The Stingray Allstars Virginia will follow the Loudoun County School Calendar for holiday breaks (please review the list of gym closures). Please communicate with your coaches directly upon team selection for any pre-planned vacations or events through the absence request form by June 6<sup>th</sup>. Additional absences, such as Chorus Concerts or other school graded assignments, need to be communicated as soon as possible.

## **Q: What is the time commitment expected for each program?**

A: Elite tier teams practice 2 days a week during the Summer and increase to 3-4 days a week starting in August. Novice and Prep teams practice 2 days a week throughout the season. Extra practices are scheduled for Choreography and during the competition season. Attendance is considered crucial for team success.

## **Q: What is the policy regarding absences from practices and competitions?**

A: Athletes planning to miss practice must email the team-specific email address at least 2 weeks in advance with a reason. Excused absences include illness (with fever or doctor's note), school functions for a grade, and death in the family. Missing practice within 2 weeks of a competition may prevent an athlete from competing. Continual or excessive unexcused absences can lead to removal from routine positions or the team/program.

## **Q: When will Stunt Camp be (Elite Teams)?**

A: Stunt Camp (for Elite Teams) will be the Weekend of July 17th-19th. Team specific schedules will be emailed out as we get closer to the date.

## **Q: What is the competition schedule and what costs are associated with it?**

A: Each program will attend 5-7 competitions in addition to showcase performances. The competition schedule is typically released in August. Travel costs to and from events are the responsibility of each family and are not included in tuition. Many out-of-state events are "stay smart" events requiring athletes to book through sanctioned hotels.

## **Q: What are the financial obligations beyond tuition fees?**

A: Beyond the monthly tuition installments, families should expect to pay an evaluation fee, a non-refundable registration fee (broken down into four installments), a uniform fee (varying by tier and also in four installments), and an annual USASF registration fee paid directly to USASF. Year-end event fees are also additional and depend on the bid type earned. Each team will also do 2-3 specialty apparel pieces for our larger events.

## **Q: Will there be Fundraising opportunities?**

A: We will offer fundraising opportunities throughout the season to help offset some of your program fees. More information on fundraising opportunities will be emailed throughout the season. Please make sure you are subscribed to our email blasts and have our email addresses saved.

## **Q: What are the behavioral expectations for athletes and parents?**

A: Good sportsmanship, polite manners, and a positive attitude are mandatory for both athletes and parents at all practices and competitions. Gossip about other individuals or teams is strictly prohibited. Poor behavior or social media posts that negatively represent The Stingray Allstars Virginia can result in suspension or removal. Parents are not to act as official representatives of the gym at events.

## **Q: What are the key communication channels and protocols within The Stingray Allstars Virginia?**

A: The primary form of communication is email, followed by the Team Band app. For immediate questions or concerns, the communication chain is: Coaches --> Management/Directors --> Owner. It's important to communicate with coaches at appropriate times, not during practice or competitions.
